AT DUSK, FAR AWAY FROM THE SOUNDS OF THE

ENCHANTED WORLD MADE OF ETHEREAL SHADOWS,
DEEP SOUNDS AND FABULOUS LIGHTS.
THE CREATURES OF THE FOREST APPEAR BY
THE LIGHT OF THE LANTERNS.

MB PRESENTS

THE AUDIENCE

The Forest is a place where everyone can recharge their batteries. Along the way, children are invited to take part in activities specially designed for them. The elf invites visitors to write down their wishes and put them in the wish tree, hoping that this will make the trees less worried about their future...
